

Looking for something to do now that the sun has returned to Rome? Look no further than your very own Rome Community Center!!!

Plan a gathering with family or friends at the new pavilion. There is a bin with plenty of equipment to add to the fun. In the bin, located outside by the side door of the Community Center, you will find...

1. Pickle Ball Net with 2 sets of paddles and balls (net sets up easily in 10 minutes). Use the yellow lines on the blacktop court.
2. Basketballs. Use the white lines on the blacktop court.
3. Soccer Balls
4. Cones, for marking goals and/or boundaries

And coming the week of July 24th:

5. Wiffle Ball set (2 bats. Bases, balls)
6. Playground balls
7. Sidewalk chalk (please use the court, NOT the driveway!!!)
8. Jump ropes

Please return all equipment to the bin when you are finished!!!
