8. T-shirt sales – we have sold over half of the T-shirts and have ordered more in the sizes with low inventory. Also ordered are some with white graphics in women's sizes

9. **Cones and soccer balls** are being added to the equipment bin. **Sandy** will create a list of items in the bin to be posted on the website as well as a laminated copy to be attached to the inside of the bin. It was noted that the bin had been forced open, so we decided to leave it unlocked and see how that works.
10. **Barbecue Grill** – this has been purchased and is now in Sandy's barn, but will be moved to the new shed at the Community Building when installed by the Town.
