

Rome Water Quality Meeting

Thursday, May 9, 2024

4:30pm

Rome Town Office

A proposed agenda is:

1. Safety moment
2. Introductions and member expression of their concerns or topics they wish to have addressed
3. Brainstorm what actions the Committee could take
4. Any reports people wish to provide (i.e. the Water Quality web site)
5. Summary of actions developed – Andrew Cook
6. Meeting review – what went well, what can we improve upon?
